

CV Gheorghe Tucu

Mr. Gheorghe Tucu is the founder and GM of Valeg Creative Solutions, a company providing consultancy, engineering, implementation, operating and maintenance services in the field of high efficiency cogeneration systems, for small and medium size cogeneration applications. After a long term carrier in the process automation, Mr. Tucu moved, since 2008, in high efficiency cogeneration industry and succeeded to install more than 25 cogeneration plants, on natural gas and biogas, with applications in several industries.

Since 2012 he started up his own company, Valeg Creative Solutions, which is active in the micro/mini cogeneration market in Romania and has, in several stages, a consistent portfolio of projects.

His background also includes: CEO at IPA, Country Manager for Honeywell in Romania, General Manager at Kelagwarme Romania, General Manager at AB Energy Romania. He's currently President of the Romanian standardization body, ASRO, member of the Board of Romanian Fund for Energy Efficiency - FREE and of RENAR, the Romanian certification body.

Dl. Gheorghe Tucu este fondator si director general al Valeg Creative Solutions, o companie de consultanta si inginerie, specializata in furnizarea de solutii de cogenerare de dimensiuni medii si mici. Dupa o lunga cariera in domeniul automatizarilor de proces, din anul 2008, Dl. Gheorghe Tucu si-a focalizat activitatea asupra domeniului cogenerarii de inalta eficienta, instaland mai mult de 25 de unitati de cogenerare, pe gaz natural si biogaz, in diverse domenii industriale din Romania.

In anul 2012 a fondat compania Valeg Creative Solutions, care este activa in segmentul de piata de micro si minicogenerare din Romania si are, in functiune, in instalare si in dezvoltare, un consistent portofoliu de proiecte.

Experienta sa profesionala include mai multe pozitii manageriale de top dintre care amintim, Director General al IPA SA, Country Manager al Honeywell Romania, Director General al Kelagwarme Romania, Director General AB Energy Romania. In prezent detine si pozitia de Presedinte al Asociatiei de Standardizare din Romania, ASRO, si este membru al Consiliului de Administratie al Fondului Roman pentru Eficienta Energiei – FREE si al Consiliului Director al Asociatiei de Acreditare din Romania, RENAR.
